

Classroom Coaches Critical As Teachers Shift to Common Core

In an [EdSource article](#), Laurie Udesky writes about the role of coaches as schools districts in California work to implement Common Core standards. The relationship between KSTF Senior Fellow [Sangeetha Lakshminarayanan](#), a math coach for Oakland Unified School District, and 2011 KSTF Teaching Fellow [Johanna Langill](#), an algebra teacher at Oakland Technical High School, is profiled in the article.
